

**IF YOU HAVE NOT ALREADY COMPLETED A SURVEY, PLEASE RETURN
THIS SURVEY TO DR. WOODS AT PINWOOD ELEMENTARY VIA THE
COURIER BY 11/13**

**2006-2007 ADMINISTRATOR SURVEY OF PRIORITIES
Orange County Association of School Administrators**

This survey has been developed to provide the OCASA Board of Directors with feedback regarding specific issues that face school based administrators.

Please rank your top 3 issues from 1 (most important to you) to 3 (third most important to you) for Local Issues and then again for State Issues.

	LOCAL ISSUES		STATE ISSUES
	Pay additional salary supplement to administrators for specialist or doctorate degrees to be consistent with teachers		Extension of DROP for administrators to 8 years to be consistent with teachers
	Adopt appropriate salary schedule for school based assistant principals/assistant directors		Eliminate 5% per year penalty for early retirement
	Allow principal input prior to assistant principal/director transfers that will affect their school		Increase contribution to health insurance subsidy for retirees from \$5 to \$7
	Ask district to pick up cost of health insurance for retirees up to Medicare eligibility		Expand middle/high school reform to include all reform: Pre-K through high school
	Allow flex time for additional hours worked beyond the normal school day		
	Provide legal defense funds for school based administrators		
	Establish mediation process on annual performance assessments		

If you have an issue or concern that is not listed above, please state it below and rank it within your top 3 issues above:

Help us work with your schedule for our general meetings. Select the best times for your schedule: Breakfast Meeting _____ Afternoon Meeting _____ Evening Meeting _____
